GET INVOLVED

Give Time

Volunteers power every aspect of our operation. Their efforts account for almost 70% of all hours worked at Food Gatherers. You can make a difference in your community by volunteering.

Warehouse
Join us at Food Gatherers’ headquarters on Carrot Way. Volunteer activities include sorting produce and canned goods, repackaging foods and maintaining a clean, food-safe facility.

Food Run
Ride along in our truck and help staff pick up and deliver food. This is a great way to witness food rescue and assist in deliveries to our partner programs.

Community Kitchen
Food Gatherers Community Kitchen is located in the Robert J. Delonis Center in downtown Ann Arbor. Volunteers assist with preparing and serving weekday lunches and dinners and weekend mid-day meals.

**Why We’re Here**

Hunger is real for 1 in 7 people in Washtenaw County*.

**What We Do**

**Mission Statement**
Food Gatherers exists to alleviate hunger and eliminate its causes in our community.

Food Gatherers rescues food from local food businesses that would otherwise go to waste.

Rescued food is supplemented with food bank purchasing, food drive donations and state and federal resources. More than 6 million pounds of food are distributed to 150+ non-profit partner programs.

Together, we fill the plates of our hungry neighbors for nearly 14,000 meals a day!

**Emphasis on Nutrition**
We strive to meet the nutritional needs of those we serve. At least 60% of the food we distribute is fresh fruits, vegetables or protein items.
