

# Summer Food Service Program (SFSP) 2026

## Grab and Go

For summer 2026, the Michigan Department of Education has approved SFSP sites in rural areas to provide Non-Congregate meals, which means families can take the food home to eat. The following sites follow our Grab and Go model: each site will distribute seven breakfasts and seven lunches once per week for each child, serving children 18 and under only. Additionally, individuals up to age 26 enrolled in a state-recognized education program are also eligible. Children do not have to be present to receive meals. Proxy pickup is allowed (picking up for other children). Families can go to any site; eligibility is by age only, not area of residency or school enrollment.

### Free meals will be provided at the sites listed below

Note: Dates and times are subject to change. Please contact the site or visit [www.foodgatherers.org/summerfood](http://www.foodgatherers.org/summerfood) or call (734) 761-2796 for up-to-date listings.
